

Welcome!

CAMPBELL
SCHOOL OF
INNOVATION

Informational Session and Tour

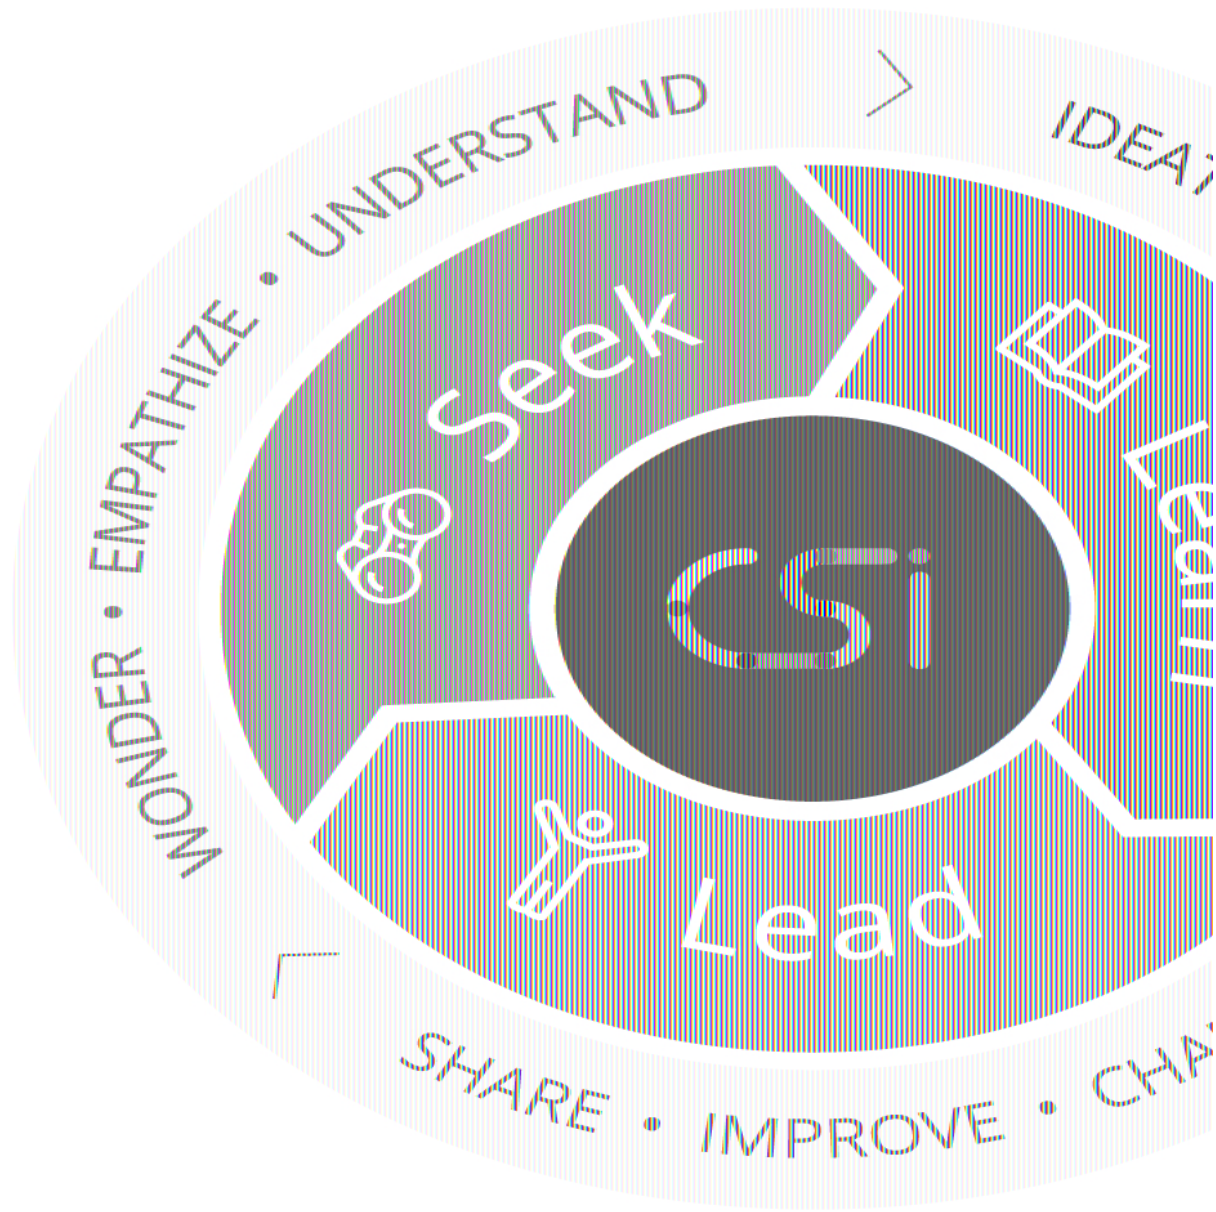

- **Introductions**
- **School Highlights**
- **Campus Tour**
- **Question and Answers**

- Students are at the center
- Learning must be authentic
- All students will grow socially and academically
- We are all designers
- We learn together

Core Values

Design Thinking

Focus on:

- Curiosity and empathy building
- Asking good questions
- Building independence
- Innovation Hour
- Cultivate design abilities

Responsive Classroom®

- Positive and Safe Community of Learners
- Effective Management and Engaging Academics
- Developmentally Responsive Teaching based on students' needs and strengths

General Kindergarten Tips

- Plenty of rest – especially the first few weeks
- Regular on-time attendance is important. Plan family trips during school vacations and appointments after school
- Label EVERYTHING
- Send a healthy snack daily, in addition to lunch

CSI Parent Community

- Active PTO
- Parent Volunteer Opportunities - both in the classroom and for community events
- Yard Duty help
- TK/Kindergarten - support for computer science, creativity and design, Think Tank (library)

Getting Ready Socially

- Perform self-care tasks (large backpack, lunches, bathroom)
- Be able to resolve differences using words
- Self-advocacy skills and independence

Class Placement and Flexible Grouping

- Students initially placed in classrooms
- For the first three days, teachers rotate from class to class getting to interact with all students.
- Final class lists are posted with all changes on Day 4 of school.

Enrollment

We are currently accepting open enrollment applications for Kindergarten.

All enrollment questions can be answered through our enrollment department at our district office.
