Classroom Wish Lists

In the Virtual Book Fair, wish lists work a bit differently than they would in-person. These are completely optional and just another way for our community to support our learning designers. If you have any questions or issues with the [Classroom Wish Lists](#) or our [Scholastic Book Fair Home Page](#) please reach out to csipto.programs@gmail.com.

How They Work:

1. Each teacher will make an e-wallet that will have a unique url that they will share with their class via email, Seesaw, or Schoology. We will also share the [Classroom Wish List](#) containing book titles your teacher has on their wish list.

2. You may contribute toward their wishlist by putting a dollar amount in their e-wallet account, much like a gift card they can use toward the items on their wish list.

These funds can only be used at Scholastic and do not expire.

3. Check out with the rest of your purchase as normal.
4. That's it! There are no added steps for you, no shipping sent or deliveries you need to make. Teachers can make their purchases with these funds and have them delivered directly to CSI.
5. If you would prefer to purchase an item on the [Classroom Wish List](#) and deliver it to them in person that is also an option, just make sure to mark it as "Purchased" on the wish list so your teacher knows it is on it's way.

Thank you all again for your participation and support of our CSI Wolf Pack!
