STAFF SPOTLIGHT - MS. LAUREN ENSOR

5th Grade, 1st Year at CSI

Hello Ms. Ensor and welcome to CSI officially! We are so lucky so many of the students have gotten to know you this year during your student teaching and guest teaching. We would love to know even more about you. What are some of your hobbies?

One of my biggest passions is to dance. I grew up dancing since the age of two and it has led me to some of my greatest accomplishments. I have won various championships and awards competing in dance. In college, I was a member of my university's cheer team. I got to travel with my basketball and football's teams to March Madness and to multiple bowl

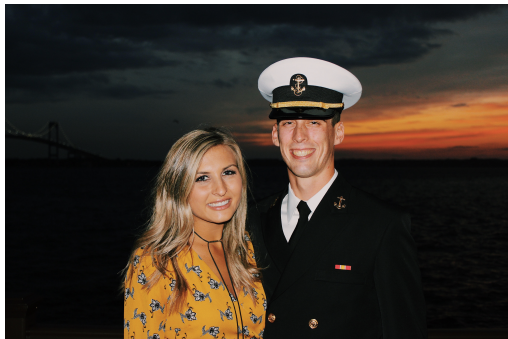

games. Now, I am using my passion to coach kids in cheer and dance. I currently coach three teams, one prep cheer team and two elite hip hop teams.

What is one of your professional accomplishments and what drew you to CSI?

I am very proud of myself for completing my degree in Elementary Education and passing my credentials to begin working. My proudest accomplishment would be to be able to teach 5th grade at CSI. What drew me to CSI was Mrs. Noriega. We met through a mutual friend and her willingness to help and be a mentor to me made me quickly realize how lucky I am to be in this very special community. I was able to be Mrs. Noriega and Mrs. Leones-Cribari's student teacher this past fall, and it was the best learning experience even though it was during COVID. I am so grateful for them and all their insight to prepare me to be a teacher.

What are some things CSI families would find intriguing about you?

I have one brother who is currently serving in the Navy in Japan. He asked me to take care of his cats while he is away, so I have two adorable, furry, and crazy cats named Charlie and Pirate!

My brother, Ryan, and I when he finished his OCS training.
