

**CSI FAMILY SCIENCE NIGHT**

Calling all volunteers! We are thrilled to announce that CSI PTO will be hosting a Family Science Night in the spring!

To make this a memorable night for CSI families, we need parent volunteers for the planning committee.

We have lots of ways for you to help:

- \* Join the committee to help plan and execute this wonderful family event
- \* If you have a science related background or job and would like to be an exhibitor or presenter at this event, we would love to have you!
- \* If you have a friend who you think would be a great presenter at Family Science Night, please recruit them!

Email: [csipto.science@gmail.com](mailto:csipto.science@gmail.com) if you're interested in joining the planning committee.

First meeting will be held in January.

Committee Co-Leads: Meggen Gregory and Lisa Dimick
